

Membership means active participation, jumping into ministry at Cornerstone Church. It's not a list of names so people can say they're a member. It's a collection of people committed to the mission and purpose of Cornerstone Church, working to create an experience where people can meet Jesus. We don't push or require membership. We do, however, encourage active involvement for those who want to call Cornerstone Church home, and your commitment to becoming a member will let us know that you own the mission with us, and will be a partner in reaching people for Christ.

Cornerstone Membership Steps
